Take the next step in magazine advertising! Showcase your products and set your ad apart with your own brief video overlay.

Your video overlay upgrade will be seen by subscribers who have requested the digital version of *Sign & Digital Graphics*. Every digital version of *Sign & Digital Graphics* will also be posted in the premium content section of our website for a full year, giving your video overlay a year-long shelf life!

Here's How The Program Works

- You provide us with a brief video clip.
- We'll place your video overlay on the digital version of your ad.
- Blow-In cards and slide-shows also available.
- You'll be able to link directly to your video from your own website.

Video format will be a public YouTube link.
